

## Location Map to Bulkington Village Centre

Bulkington is located in the heart of Warwickshire. It is easily accessed from the M69, M6 and M1.

**From the M6**, you need to leave the M6 at junction 2 and head toward Ansty. Once through the village, continue until you reach the village of Shilton and turn left at the set of traffic lights. Continue along that road until you enter the village of Bulkington. Go left at the first mini roundabout and then immediately left again at the next mini roundabout. Carry on that road until you reach a pedestrian crossing. Turn right immediately after the crossing and turn into the driveway that runs alongside Bulkington Library. The Village Centre is behind the library and is clearly signposted from the road.

**From the M1 and the M69**, leave the motorway as the motorway ends and follow the signs for the M6. Instead of getting on the M6, follow the signs for Coventry East and go to the large island (the Showcase Cinema is on your left). Turn right at the island and follow signs for the B4065 towards Ansty – you then need to follow the directions as above.
